- MAKE A LIST OF WASTEFUL PRACTICES YOU NOTICE AT YOUR SCHOOL AND OUTLINE SOLUTIONS TO THESE PROBLEMS. THINK ABOUT THE CAFETERIA OR DINING HALL, CLASSROOMS, SPORTING EVENTS, AND MORE.

Some wasteful practices are mentioned below :-

1. School supplies or equipment that are not needed are thrown away instead of donating them to a local organization.
2. Start a composting program near the college cafeteria to reduce food waste.
3. Cafeteria kitchens can utilize stainless steel waste compactors in the back for cooks.
4. A recycling and waste management team should be formed and students & staff should be informed and educated about it.
5. Use special recycling programs for fundraising for the college.

6. Stopping the wastage of water.

- CHOOSE ONE ISSUE THAT YOU LISTED ABOVE AND DESIGN AN ACTION PLAN FOR REDUCING THIS WASTE AT YOUR PARTICULAR SCHOOL.
- ✓ Inform & aware the college faculty & students about the increasing danger of waste & the appropriate waste management.
- ✓ Make suitable arrangements for maintaining separate waste bins based on the different types of waste in various locations of campus.
- ✓ Try to collect some funds by selling the reusable waste to the concerned people and recycle the waste which is possible
- ✓ Try creating compost pits in college to recycle organic waste.

- ANSWER THE FOLLOWING QUESTIONS:

Q-1) What steps would you need to take to implement

this project?

- The above mentioned steps need to be taken seriously by the college management along with the faculty & students.
